

ABOUT PROJCON GROUP

Projcon Group specialises in all aspects of Project Controls, Project and Programme Management. We have a passion for project controls and integrated project solutions that deliver success. As a Group we have the capability to provide fully integrated solutions to meet client needs; in addition to being an ISO 9001 company, we are accredited by APM, ACostE, Axelos and are also accredited training providers for a range of Project Controls and Project Management Apprenticeship standards. We are passionate about making a difference and leaving behind a legacy that our clients and partners will benefit from as they move forward in their respective business endeavours.
