

# Projcon Group : Mission, Vision and Values

## Mission

To be a preferred and niche provider of Project Controls Consultancy, Training and Systems services to enable our clients to achieve their business objectives in Business Transformation, Performance Improvement, Capability Development and Continuous Improvement.

## Vision

It is our commitment to expand the awareness, appreciation, and implementation of the many benefits provided by Project Controls practices. We pledge to continually sharpen the cutting edge of these practices through research, education, training, consulting, and direct implementation. We also aim to improve the quality of Project Controls products and services provided anywhere in the world through a variety of programs via education, training, and consulting.

## Teamwork

We believe in collaborative working, creating a positive working atmosphere, and supporting each other to achieve a common goal. We strive for a common goal with mutual trust, respect and effective communication.

## Ethics and Integrity

We believe in operating utmost integrity, where the law is not only upheld but respected, and promises made are promises kept.

## Respect

We embrace each individual's unique talents and honour diverse life and work styles. We operate in a spirit of cooperation and value human dignity. We respect diversity and promote equal opportunities for all.

## Health and Safety

We believe in providing a safe and secure working environment, free of incidents, and unsafe acts. We will live by our standards the highest standards.

## Performance

We believe striving for maximum return on investment and best in class result by continually attaining our goals.
